1. WITHIN

Many Steps and Arches dining table

Inspired by stepwells, the architectural masterpieces of ancient India, this dining table recreates the steps in rich macassar ebony, while the arches are lined in gold leaf for the base.

3. LIGHTBOX

Feel by Sara Moroni

The multicoloured modular system combines bi-emission LED luminaires and sound absorbing textile disks that interact with each other. Customisable in different configurations, it can be suspended from the ceiling or fixed to a wall.
